enjoyable to read (how many times can you say that about a book on money?!) and covered a wide range of personal finance topics in an organized manner. Even though I have pretty secure finances, I lacked confidence that I was doing everything I could/should to maximize them. After reading FF, I feel more confident that I'm doing the right thing.

The LearnVest Program for Taking

Financially Fearless is an opportunity to learn the basics, but more importantly, to start figuring out how to take action in your life.

Q. You talk in the book about how a full 30% of your income should go to lifestyle and how you choose to spend it is up to you - how do you like to spend your 30%?
