The Test Preparation Manual is in a similar format to materials read on the job and in the fire academy. The TPM process replicates the process applied on the job of learning information and being tested on that information.

Firefighter Test Preparation Manual (TPM) > Fire and ...

Thus your candidates get practice on the same types of items they will encounter in the TPM test. Because it contains sufficient items covering all chapters in the Test Preparation Manual, the practice test is a diagnostic tool, i.e., it can provide guidance to candidates on those chapters that should be given further study.
