The company refers to its larger mowers -- which may be used for residential or commercial applications -- as lawn tractors. These units have either gasoline or diesel engines. John Deere recommends consulting your riding mower owner's manual for the exact type of recommended oil. A knowledge of oil viscosity can help guide you, however.

Many lawn tractors, particularly John Deere riding mowers, use a PTO clutch. The PTO function is what engages the mower blades of the lawn tractor. The mower's battery sparks the PTO clutch, which then guides the shaft and rotates the blades of the mower. However, if your lawn mower is not working at its best capacity, it may need to be ...
