OrangeRX Setup and Binding

Orangerx t-six 2.4ghz dsm2 6ch manual From stephen he really like the rx. when received the T-Six and he have to say really like this transmitter, low price for what it gives you. Bound it to an Orange R615X receiver no problem, each receiver you bind is then available to all your models (no model match) which means you don't have to rebind if you move your receiver from a model to another model.
