The Woodlot Management Handbook: Making the Most of Your ...

The Woodlot Management Handbook written by Stewart Hilts and Peter Mitchell is a great introductory book for those of you just getting into woodlot management. If you have more experience with forestry it might be a bit remedial for you, but the intent of the book was for true beginners to the world of woodlot management. In that regard I think they nailed it. Also, I believe there is always something that can be learned, and I did learn some new things.
